"THE D.E.S. STARFISH PIN"

Created exclusively for DES

by LIZTECH

The Starfish

There was a young man walking down a deserted beach just before dawn. In the distance he saw a frail old man. As he approached the old man, he saw him picking up stranded starfish and throwing them back into the sea. The young man gazed in wonder as the old man again and again threw the small starfish from the sand to the water. He asked him, "Why do you spend so much energy doing what seems to be a waste of time?" The old man explained that the stranded starfish would die if left in the morning sun. "But there must be thousands of beaches and millions of starfish," exclaimed the young man, "How can your effort make any difference?" The old man looked down at the small starfish in his hand and as he threw it to safety in the sea said..

"It makes a difference to this one."

Liztech, in collaboration with DES, has created an exclusive pin that captures the heart of our services. Using the starfish as a background, a child, representing our Early Intervention services and an adult, representing our Adult Services are shown. In addition, a recycling symbol has been added to acknowledge our "Community Partners in Recycling" employment program.

Each pin is handmade using antique and vintage stones and beads on a lightweight mirror alternative that will not shatter or tarnish.
